Incumbency Opportunities

The Rt. Revd. John Watton is inviting applications for the position of Rector of the Following Three Parishes.

The Parish of Grand Falls

The Parish of Grand Falls is a single point parish located in the heart of Central Newfoundland. Grand Falls is a busy commercial hub, has all of the expected conveniences one might expect.

One of our larger parishes, Holy Trinity has a complement of devoted lay people who are optimistic about the future of the Church, and are anxious to welcome an energetic leader who can enable the Church to develop a missional understanding, to teach and walk with them through the challenges of being a faithful Church in today's culture. The closing date for applications is Tuesday October 31 2017. The Parish of Grand Falls provides a housing allowance in lieu of a Rectory, and are glad to speak with prospective incumbents regarding any concerns or questions they might have about housing.

Starting date is negotiable. Please email or call the bishop for more information, and to request a Parish Profile.

The Parish of Grand Bank

The Parish of Grand Bank is a single point located on the Burin Peninsula. St. Alban's Church is a modern open concept building, that has great potential for community events and large services.

The Anglican people of Grand Bank are largely people who resettled there, built the Church and are devoted to the faith community that gives a sense of identity and connection to the past. It is a Eucharistic community that values Pastoral Care.

While Grand Bank is not the central commercial hub of the Burin area, it too has all of the expected conveniences one might expect.

The leaders of the parish are looking for a leader who will visit, provide a pastoral presence to the entire community, make connections with younger families, and lead them through a process of preparing for the future.

They are optimistic about the future, realistic about the challenges facing all churches today, and anxious to welcome a leader into the community.

At the present we have a Pro-Tem rector in Place. This is an open ended appointment, which gives us some flexibility in regards to the startup date.

The closing date for applications is November 31 2017

Starting date is negotiable. Please email or call the bishop for more information, and to request a Parish Profile.
